

# AGRISHIFT MT 80W-90

Extreme-pressure lubricant for gearboxes and final reductions.

## Applications

Mechanical gearboxes and final reductions

Adapted to gear transmissions in agricultural machinery :  
- mechanical gearboxes  
- hypoïd axles  
- final gears

## Performances

Mechanical steering systems

Classifications: **API GL5 • MIL.L. 2105D**

Manufacturers approvals:  
**ZF TE-ML 12E / 17B / 19B / 21A**

## Customer benefits

Performance at competitive cost

Extreme-pressure and anti-wear properties enabling good gear performance under heavy loads and repeated shocks.

Anti-rust and anticorrosion properties on steel and copper, even in the presence of water.

Good thermal stability.

Good seal compatibility.

## Characteristics\*

| AGRISHIFT MT 80W-90           | Units              | Value |
|-------------------------------|--------------------|-------|
| Kinematic viscosity at 40° C  | mm <sup>2</sup> /s | 143   |
| Kinematic viscosity at 100° C | mm <sup>2</sup> /s | 15.1  |
| Viscosity index               | -                  | 107   |
| Pour point                    | ° C                | -27   |
