

RED RUBBER GREASE

Premium Rubber Compatible Grease

KEY DATA

- Red Rubber Grease is a premium quality clay thickened grease formulated with castor oil.
 - Red Rubber Grease provides outstanding performance in a wide range of applications where contact with rubber compounds is likely or required.
 - Red Rubber Grease is recommended as a general purpose, rubber compatible grease for automotive and industrial components consisting of natural or synthetic rubber.
- ✓ Clay Thickened Grease
 - ✓ Castor Oil Based

Customer benefits

- ✓ **Compatible** with natural and synthetic rubber
- ✓ **Excellent** Lubricity
- ✓ **Protects** against rust & corrosion
- ✓ **Environmentally** friendly formulation

Characteristics*

Test	Result
NLGI Grade	2
Thickener Type	Clay
Colour / Appearance	Red/Tacky
Worked Penetration (60 strokes)	280
Dropping Point (°C)	>288
Base Oil Viscosity (cSt)	250

* The characteristics given above are obtained with a standard tolerance threshold during production and may not be considered specifications.

Recommendations for use

Before using the product, the vehicle's maintenance guide should be checked. Oil changes should be carried out in accordance with the manufacturer's recommendations.

The product should not be stored at temperatures over 60°C. It should be kept away from sunlight, intense cold and extreme temperature fluctuations.

If possible, the packaging should not be exposed to the elements. Otherwise, the drums should be laid horizontally in order to avoid any contamination from water and to prevent the product's label from rubbing off.

Health, safety and the environment

Based on the toxicological information available, this product should not cause any adverse health effects, provided it is used for its intended purpose and in accordance with the recommendations laid out in the Safety Data Sheet. This can be obtained on request from your local reseller and is available for consultation at <https://sdstotalms.total.com/TotalPullWebsite/en>

This product should not be used for any purposes other than the ones for which it is intended.

When disposing of the product after use, please protect the environment and comply with local regulations.
